Promoting professional excellence in the water sector
The official magazine of the Water Institute of Southern Africa

Water & Sanitation
Complete water resource and wastewater management

INDUSTRY INSIGHT
Fighting for Women in Water through job creation and service

DAMS & RESERVOIRS
Cross-border impacts on Gaborone water crisis

LABORATORIES AND EQUIPMENT
Grow crops with washing water

SBS Water Systems
More than just a tank

“We were already renting out equipment from our existing facility in Boksburg. In fact, we’ve had the largest rental fleet on the continent for quite some time,”
Xylem South Africa’s managing director, Pierre Fourie

MINE WATER
Slaking Congo-Kinshasa’s copper thirst
